**TRANSMITTAL OF DIVISIONAL APPLICATION  
FOR U.S. NONPROVISIONAL PATENT  
UNDER 35 U.S.C. §1.53(b)**

Enclosed for filing are:

- [X] This request for a **divisional** application pursuant to 35 U.S.C. §121 is hereby filed under 35 U.S.C. §1.53 (b), for a United States Nonprovisional Patent described above.

**The application is a divisional of U.S. Application Number 10/316,756 filed on December 11, 2002, for which a Notice of Allowance issued on November 18, 2003.**

**To assist the Office in identifying the earlier application, a copy of the Notice of Allowance is appended to this paper.**

The divisional application is to prosecute those claims made subject to a restriction requirement during prosecution of the prior parent application, namely those claims comprising claims 32 through 50 in the prior application.

The prior application is assigned of record to FastDitch, Inc.

Also enclosed for filing are:

- [X] a new specification which is included in the new enclosed application.

**Note:** The new application includes no subject matter that would have been new matter in the prior application. The new application includes only the typographical corrections made during prosecution of the original application and accepted by the prior examiner.

**Note:** The new application includes as claim only those claims restricted from examination during prosecution of the prior application, which for clarity have been renumbered beginning with claim 1.

**Note:** The title of the invention in the enclosed new application has been changed to comport with the title change required by the examiner during prosecution of the prior application.

- [X] 15 sheets comprising copies of the drawing figures from the prior application;
- [X] a copy of the original Declaration, Power of Attorney, and Petition of the inventors, **to which is applied a notice as provided in MPEP §201.06(c) to identify the copy of the Declaration as having been previously filed with an application associated with Application No. 10/316,756;**
- [X] a copy of the original Declaration Claiming Small Entity Status, which Declaration continues in effect;
- [X] a copy of the Petition to Make Special filed in the prior application;
- [X] a duplicate of this sheet;
- [X] a Certificate of Mailing by Express Mail;
- [X] a post card to be processed by the Patent Office and mailed to the undersigned sender; and
- [X] a check in the amount of \$ 428.00 as the government filing fee in connection with this request for a divisional application.

The Commissioner is hereby authorized to charge the following additional fees by this paper to Account Number 501565 for the Law Office of Ray R. Regan, P.A., including:

- [X] 37 CFR 1.16(a), (f) or (g) for filing fees;
- [X] 37 CFR 1.16(b), (c) and (d) for the presentation of extra claims; and
- [X] any overpayments should be credited to Account Number 501565.
